

Oilfield Services and Equipment in

TEXAS

2ND DISTRICT, REP. DAN CRENSHAW

BACKGROUND

The Texas 2nd Congressional District is home to a significant presence of PESA Member Companies. Many of these facilities are corporate headquarters or significant operational facilities. TechnipFMC has 3,278 employees in the district, NOV has 6,281, Oceaneering has 1,050 and WN Global has 1,050. While the area encompassing the 2nd Congressional District now is mostly home to office towers and headquarters of major oil companies, historically there was a significant field of production around what is current day Humble, TX.
